Information about the Villa Kunterbunt:

- Address: Pfalzauerstrasse 127, 3021 Pressbaum, reachable only by car, carpools or taxi (we will do our best to organise an easy possibility for people, who do not respond/are not invited to join some other member of the group in a car-ride to a restaurant/hotel, to also be able to move independantly to the restaurants/hotels nearby- either with the local Taxi organisations or with a private- shuttle service)
- The Villa Kunterbunt is a beautiful, very stylish, artistic place that wonderfully supports our Immersion with its atmosphere. The round room is a lot of glass and wood. It will be heated - but who is sensitive to cold, could bring cuddly clothes, thick socks or maybe even take a blanket with you. The heater makes a murmuring background noise, but it is still possible to listen and speak. Around the house is also a beautiful garden.
- During the short breaks, we provide a buffet of fruit, biscuits, croissants as well as coffee and tea
